*Space and Sponsorships  
are Available*

**March 10<sup>th</sup> and 11<sup>th</sup>**

Third Floor – Science and Tech Building, ECU, Greenville, NC

### Overview

The 2020 Pharma Conference offers two days of information sharing, topical discussions, and networking with pharma professionals.

In addition to the general program, attendees can choose between **18 advanced talks** delivered in smaller breakout sessions.

### **Quality**

### **Stability**

### **Method Development/Validation**

Contributors include regional subject matter experts, Eastern Carolina ASQ chapter members, and special invited speakers.

<https://chemistry.ecu.edu/pharm-center/pharma-conference/> for registration and additional information.
